

REQUEST TO ATTEND NEW RISING STARS 2020

Here's a message you can modify and send to your supervisor or training department explaining all the benefits you and your company will receive when you attend NEW Rising Stars 2020.

SUBJECT: Request to Enroll in NEW Rising Stars

Dear Supervisor,

I am ready to advance my career and further expand my leadership skills within our organization. I hope you agree.

NEW Rising Stars is a five-month program that trains tomorrow's leaders by increasing self-awareness, building leadership skills and expanding business networks. It includes a three-day in-person learning event this coming May in Scottsdale, a professional 360-degree assessment, three interactive webinars and one executive coaching session.

NEW Rising Stars will give me a better awareness of my strengths and areas for development, plus an expanded network of industry peers.

Tuition for NEW Rising Stars is \$2,995, including on-site meals and course materials. This is far less than other comparable non-industry specific courses.

I hope you will approve this request and help me advance myself, our team and our organization in the months and years to come.

Best regards,
Your Name

P.S. Please review this one-page **NEW Rising Stars fact sheet** for further details.
