

NEW Executive Leadership Lab

A leadership development program for senior-level women seeking advancement

NEW Executive Leadership

NEW Executive Leadership Lab is designed to empower and position women in senior-level leadership positions, who desire to be in the C-suite, for advancement within their organizations. With class size limited to less than 24 participants, this transformational NEW members-only

leadership development program spans four months of educational development opportunities and includes three professional assessments and three 1-hour sessions with an executive coach.

Program Objectives

- Perfect your executive presence
- Elevate your decision-making skills and ability to influence
- Advance your negotiation skills
- Identify and sharpen your unique career accelerators and refine your potential derailers
- Develop an action plan to articulate how you will be managing your unique career accelerators and potential derailers with your leader
- Build a long-term professional network with a supportive cohort of accomplished peers to enhance your strengths and leadership skills

Location

About the facilitator Grace Killelea

Grace Killelea, former senior vice president of talent for a Fortune 30 company, will lead this living laboratory where participants develop their authentic leadership voice and learn how to effectively incorporate it into their everyday leadership roles. Dedicated to the belief that real power is generated when one's passion and purpose meet, her teaching centers on four cornerstones of leadership — relationships, reputation, results and resilience.
