

Leadership Essentials

A powerful leadership development workshop

This workshop brings employees from across companies together to learn, build relationships and become better leaders through a combination of one-on-one and group sessions. Backed by insights from the ADVanced Insights Assessment, participants will leave the workshop as more confident and knowledgeable leaders, with a stronger network of professional connections, and the self-confidence and awareness they need to excel.

2021 Learning Schedule

- Self-paced study of five learning modules.
- Six 90-minute group coaching sessions, which include:
 - Facilitator-led recap of most recent module.
 - Interactive coaching conversation.
 - Guest executive discussion, followed by Q&A.
 - Six 30-minute peer coaching breakouts.
- One 90-minute debrief of the ADVanced Insights Assessment.
- One 60-minute one-on-one executive coaching session.

Workshop Objectives

- Increase self-awareness and confidence through ADVanced Insights Assessment analysis.
- 1:1 executive coaching to promote leadership development.
- Share best practices.
- Network and create strong new systems of support.
